@judykmck I guess a lot were hesitant about collaborating global with primary students. #D5chat

11-Feb-12 01:09 | soingirl

@slfirstgrade We were using a Dinosaur Cove chapter book for Make Predictions this week...great fit for that strategy #D5chat

11-Feb-12 01:11 | soingirl

Today, our reading focus lesson was on the "stickwithitness" that it takes to be a chapter book reader. #d5chat

11-Feb-12 01:11 | Komos72

RT @soingirl: @slfirstgrade I usually just take the strategy I am working on and model/discuss using a book from the classroom. #d5chat

11-Feb-12 01:11 | Komos72

@soingirl We love Dinosaur Cove!! Have a group of 4 boys devouring them this week. #d5chat

11-Feb-12 01:12 | Komos72

I enjoy the comprehension lessons like Checking for Understanding by asking Who? What? Can be done with almost any book. #d5chat

11-Feb-12 01:12 | valruckes

I try to pick strategies that fit the majority of the class and then can meet individual needs in 1 on 1 conferences #D5chat

11-Feb-12 01:12 | soingirl

@Komos72 building stamina for chapters! #d5chat

11-Feb-12 01:12 | judykmck

@Komos72 Love your "stickwithitness" focus lesson. I have a few that need that one #D5chat

11-Feb-12 01:13 | soingirl

@judykmck Exactly! Many want to read chapter books... but start 3 or 4 at a time! #d5chat

11-Feb-12 01:13 | Komos72

@valruckes I love that too, Val #D5chat

11-Feb-12 01:13 | soingirl

@soingirl I picked up 5 different chapter books and read aloud the first page of each of them, then tried to recall what I read... #d5chat

11-Feb-12 01:14 | Komos72

I might have to make my focus lessons more focused and shorter. #d5chat

11-Feb-12 01:14 | slfirstgrade

@soingirl ...proving the point that it gets way too confusing that way! #d5chat

11-Feb-12 01:14 | Komos72

@Komos72 @soingirl What's the reading level of Dinosaur Cove? (Sounds like my question last week about Magic Tree House!) #d5chat

11-Feb-12 01:14 | judykmck

@judykmck @soingirl Very similar to Magic Tree House! I'd guess about an M, too. #d5chat

11-Feb-12 01:15 | Komos72

@slfirstgrade I try to make mine about 7/8 mins maximum (age of my kids) #D5chat

11-Feb-12 01:16 | soingirl

@soingirl I bet that will be a great moment for her (and you, too!) #d5chat

11-Feb-12 01:17 | Komos72

@judykmck All the students in my class are enjoying them as a read aloud, finished #1 and they wanted to start #2 #D5chat

11-Feb-12 01:17 | soingirl

@judykmck I love exposing them to books they wouldn't normally be drawn to through read alouds #D5chat

11-Feb-12 01:18 | soingirl

@Komos72 Yes, I think she and I will celebrate :) #D5chat

11-Feb-12 01:18 | soingirl

RT @soingirl: @judykmck I love exposing them to books they wouldnt normally be drawn to through read alouds #d5chat

11-Feb-12 01:18 | slfirstgrade

@soingirl Book-selling is such an important thing - widen their choices #d5chat

11-Feb-12 01:19 | judykmck

@soingirl Taking the Status of the Class helps with book jumping & gives the other kids a chance to hear what others are reading. #d5chat

11-Feb-12 01:19 | valruckes

Another focus lesson(s) we tend to revisit often... how to pick good fit books and how many books to pick each week. #d5chat

11-Feb-12 01:20 | Komos72

Yes, it's huge! RT @judykmck: @soingirl Book-selling is such an important thing - widen their choices #d5chat

11-Feb-12 01:20 | Komos72

My students like author studies. #d5chat

11-Feb-12 01:20 | slfirstgrade

RT @valruckes Taking the Status of the Class helps with book jumping & gives the other kids a chance to hear what others are reading #D5chat

11-Feb-12 01:21 | soingirl

@ehuthsimpson I think modeling helps, too, but they so desperately want to be able to read chapter books at this age! #d5chat

11-Feb-12 01:21 | Komos72

@Komos72 I had the opposite problem today, a little guy who is reading very well but is picking very very easy books #D5chat

11-Feb-12 01:22 | soingirl

@Komos72 How do you determine the # of books to pick each week? #d5chat

11-Feb-12 01:22 | ehuthsimpson

@Komos72 He and I are reading the 1st Magic Treehouse book together during conferences, so he can see he can do it #D5chat

11-Feb-12 01:24 | soingirl

What do you do with a student who cannot focus long enough to read a page? Any suggestions? I'm talking about GG level E-F books. #d5chat

11-Feb-12 01:25 | slfirstgrade

Another focus lesson is how to use sticky notes to record thoughts, words, ideas, etc. #d5chat

11-Feb-12 01:25 | valruckles

kids sell books to each other, too! "@judykmck: @soingirl Book-selling is such an important thing - widen their choices #d5chat"

Great lesson idea RT @valruckles: Another focus lesson is how to use sticky notes to record thoughts, words, ideas, etc. #D5chat

11-Feb-12 01:26 | soingirl

Mine did their first book pick for themselves this week, so we'll see how well they chose next week #d5chat

11-Feb-12 01:26 | judykmck

@valruckles Do your kids keep sticky notes in their book baskets? #D5chat

11-Feb-12 01:26 | soingirl

@Komos72 What do you do when you start conferring and the child has a book too hard. Do you just stop him and go over "good fit"? #d5chat

11-Feb-12 01:26 | slfirstgrade

Please keep sharing your reading ideas... but let's also talk writing! What are some of your writing focus lessons? #d5chat

11-Feb-12 01:26 | Komos72

@slfirstgrade Try alternating reading a page, playing with play dough-May help build stamina and help them focus. #d5chat

11-Feb-12 01:27 | valruckles

@slfirstgrade Yes, we discuss good fit and find something in their basket that is a good fit #D5chat

11-Feb-12 01:27 | soingirl

@ehuthsimpson LOVED watching books fly from hand to hand today while we shopped. Swapping titles and recommending to each other! #d5chat

11-Feb-12 01:27 | Komos72

RT @Komos72: Please keep sharing your reading ideas... but lets also talk writing! What are some of your writing focus lessons? #D5chat

11-Feb-12 01:27 | soingirl

@soingirl No-not a good idea for first graders:) I pass them out as needed. Some would go CRAZY! Haha #d5chat

11-Feb-12 01:28 | valruckles

@valruckes @soingirl We use sticky notes for bookmarks, but we need to review how that works. Found a page COVERED in them today! #d5chat

11-Feb-12 01:29 | Komos72

Whatever the mini lesson is I usually teach it through my own writing #D5chat

11-Feb-12 01:30 | soingirl

I do a lot of lessons from 6+1 traits for writing. I have a separate writing time, though. #d5chat

11-Feb-12 01:30 | slfirstgrade

I like the Four Blocks Writing Mini Lessons for ideas and the Craft Lessons books for Fiction and Non Fiction #D5chat

11-Feb-12 01:30 | soingirl

@soingirl @Komos72 Maybe the too-easy book is a way to relax. As long as it's not frequent, no harm done. Like me reading comic. #D5chat

11-Feb-12 01:31 | HelpsTeachers

@soingirl I've really started using my own writing with them a lot this year. Also love using mentor texts! #d5chat

11-Feb-12 01:31 | Komos72

@slfirstgrade Yes, I use a separate writing time also for focus lessons #d5chat

11-Feb-12 01:31 | judykmck

@slfirstgrade The play dough is a motivator. It helps them to focus on the reading by giving them a bit of a break at reg intervals. #d5chat

11-Feb-12 01:31 | valruckes

How many focus lessons do you teach each day? #d5chat

11-Feb-12 01:31 | slfirstgrade

11-Feb-12 01:44 | Komos72

Love that idea MT @Komos72 I love using poetry. Found a poem to use w/a group yesterday that helped review word endings,contractions #D5chat

11-Feb-12 01:44 | soingirl

@soingirl @komos72 I revisit a bit of working with words but those lessons take too long! (word scramble or chicktionary app) #d5chat
